

CDC Diabetes Translation Conference 2000

***The Diabetes Puzzle:
Challenges, Partnerships, Strategies, and Solutions***

April 17 - 20, 2000

**New Orleans Sheraton Hotel
500 Canal Street
New Orleans, Louisiana**

In partnership with
Diabetes Council and
Association for State and Territorial Chronic Disease Program Directors (ASTCDPD)

Conference Objectives

| | |
|-------------------------------------|--|
| <i>Health Systems (HS)</i> | To identify methods that health systems use to reduce disparities and improve care patterns |
| <i>Early Detection (ED)</i> | To review strategies to screen for type 1 and type 2 diabetes |
| <i>Health Communication (HC)</i> | To promote appropriate education systems and communication methods that address disparities in diabetes |
| <i>Community Intervention (CI)</i> | To promote innovative community intervention models that improve diabetes care |
| <i>Coordination (CO)</i> | To highlight traditional and nontraditional partnerships that impact the burden of diabetes |
| <i>Evaluation (EV)</i> | To measure the characteristics and effects of programs designed to reduce the burden and disparities of diabetes |
| <i>Surveillance Activities (SA)</i> | To identify and use appropriate methods to monitor changes in diabetes among all populations |

The Diabetes Puzzle: Challenges, Partnerships, Strategies, and Solutions

We have grouped seminars into several main categories that are abbreviated in the agenda as follows: Health Systems (HS), Health Communication (HC), Community Intervention (CI), Surveillance Activities (SA), Coordination (CO), Early Detection (ED), Evaluation (EV), and Special Topics (ST). Please note the two-letter code under each of the seminar categories if you are interested in one particular topic area.

Sunday, April 16

| | |
|----------|----------------------------------|
| 4 - 7 PM | Early Registration / Information |
| 6 - 8 PM | Conference Planning Committee |

Monday, April 17

| | |
|-------------|----------------------------------|
| 7 AM - 5 PM | Early Registration / Information |
|-------------|----------------------------------|

REGISTRATION INFORMATION

CDC Diabetes Translation Conference 2000

The Diabetes Puzzle: Challenges, Partnerships, Strategies, and Solutions

Deadline: Friday, March 31, 2000

Registration fee is \$50

Registrations are being accepted by the **Association for State and Territorial Chronic Disease Program Directors (ASTCDPD)**. Send registration and fee payments to

ASTCDPD
Diabetes Registration
Attn: Teri Chalkley
111 Park Place, Falls Church, VA 22046-4513
Telephone: 703-538-1798
Fax: 703-241-5603
Federal ID # 73-1328414

Payment Method

ASTCDPD will accept corporate, agency, and personal checks as well as purchase orders for registration fees. Include payment with your registration form. **DO NOT MAIL YOUR REGISTRATION TO THE CENTERS FOR DISEASE CONTROL AND PREVENTION (CDC)**. Registration fee is \$50 if received on or before March 31 and \$60 after that date, or at the conference.

Cancellations

Cancellations received before March 31, 2000, will be refunded less an administrative fee of \$15. No refunds will be given for cancellations received after the deadline.

Hotel Reservations

Please make your reservations as soon as possible. **Arrange your own accommodations** directly with the New Orleans Sheraton Hotel, 500 Canal Street, at 800-325-3535, or the Marriott Hotel, 555 Canal Street (right across the street) at 800-228-9290, New Orleans, Louisiana, by **March 20, 2000**. We are planning to house all our participants in these two hotels. Identify yourself as a participant in the CDC Diabetes Translation Conference in order to obtain the conference rate of \$88 (single, before taxes).

Continuing Education Credits

Continuing education credits will be offered for various professions based on 16 hours of instruction.
